Dear Graeme Hill:

In reference to your fax dated July 18th, 2002 concerning US Patent App 09/071,202.

I can confirm that the publication date for the paper in question was May 13th 1997. I enclose for your information a copy of the relevant dates for that event.

As you can see from this, the date for abstract submission and summary was December 2nd 1996. I have asked the company who publishes these proceedings, if they can pinpoint the date of receipt more accurately for you, but I do not anticipate that their records would include such data.

Yours sincerely

Dee Dumont
